Some key CATH facts for the year April 2007 to March 2008

- ✦ CATH project services were used 20,482 times by 770 people, 234 of whom were homeless at the start of support and 489 of whom were at risk of homelessness. In 2006 to 2007, we supported 673 people through 24,825 project uses.
- ✦ Each project saw an average of 12 new people in need of help every month
- ✦ We achieved 8,107 positive outcomes, over 10 for every individual we supported
- ✦ We helped 420 people to keep their home, providing 64 with intense support and helped 411 people to find a home
- ✦ 78 people found work, entered volunteering or full time education
- ✦ We supported our service users in achieving a further 827 personal success milestones, including improved living conditions, involvement in community events and achieving qualifications (over 300 more than last year).
- ✦ CATH made 5,400 referrals to other support agencies and raised awareness of homelessness through involvement in 62 promotional events
- ✦ CATH provided almost 95,000 hours of support
- ✦ Each CATH client received an average of 122 hours support from 50 staff, each of whom helped an average of 15 clients

To all our clients, staff and supporters...

Well done and thank you.

CATH is still working together to end homelessness.
